## ABOUT HAPPY TIME TOUR

Starting in June 2010 in Surakarta, the founders of Happy Time Tour were entrusted to help organize holiday trips based on their experience in the tourism sector. From that beginning, we successfully dispatched three travel groups to China.

The enjoyable travel experiences and sincere service fostered customer trust. Word-of-mouth recommendations continued to grow, and the name Happy Time Tour became increasingly recognized.

As a commitment to professional and reliable service, in 2019 we opened our headquarters in Jakarta.
